

Bring out the best: syndrome-specific approaches supporting pupils with Down syndrome across the curriculum

REGISTERED CHARITY NUMBER 1176873

DS Achieve is pleased to offer a full-day training event for both professionals and parents/carers. The course is for Teaching Assistants, Classroom Teachers, SENCO's, Support Teachers and Speech and Language Therapists working with children with Down Syndrome. Parents/carers will find the content useful in supporting their child at home and when working alongside school staff. The training will be delivered by Leela Baksi, Speech and Language Therapist, Symbol UK Ltd.

This course enables staff to review and update strategies used in school. It offers essential information about Down Syndrome and effective strategies. The course content is adapted to meet participants' needs, and provides opportunities to share experiences and discuss solutions to any difficulties encountered. The course covers:

- ❖ **The communication and learning profile associated with Down syndrome**
- ❖ **Supporting speech and language in the classroom Differentiating curriculum topics**
- ❖ **Alternative strategies for recording**
- ❖ **Strategies for addressing numeracy**

While the focus of the day is on supporting children with Down Syndrome, the strategies discussed are applicable for children with a range of special needs and communication problems.
